Satellite Women's Clinic in Berea is NOW OPEN!

On May 1, PHC opened its new satellite women's clinic in Berea. The clinic is open on Wednesdays and Thursdays, offering pregnancy testing and ultrasounds. This gives PHC the ability to more effectively serve the southern end of the county and beyond. Donna Proctor, who had been serving as a nurse at the Richmond location for over two years, is now the nurse on staff in Berea. She is joined by Brooke Barrett as the client advocate.

Nearly a dozen patient visits have already taken place in the first month.

Current Needs:

We are still in need of items for our Berea clinic. Please scan the QR code for our Amazon Wish List. Gifts cards from Amazon, Lowe's, or Wal-mart are also appreciated.

YOU ARE INVITED!

PHC will once again be hosting the Walk for Life on June 22 at White Hall State Historic Site. Announcements will kick things off at 10:00am followed by a walk through the park. (This is not a timed event.)

This celebration is an opportunity to celebrate the ministry of Pregnancy Help Center and is for all ages! It's a great way to get children involved with supporting and protecting the sanctity of life. It will feature bounce houses, food trucks, an ice cream truck, music, and vendors.

What do YOU need to do?

1. Sign up and purchase a t-shirt (optional). T-shirts can be picked up at the event or at PHC the week of June 17.
2. Share with others and form a team with your family, friends or church.
3. Show up for fun and fellowship on June 22!

*Note: Though donations are appreciated, this is not a fundraising event.

Volunteer Spotlight: Kara Sears

Kara Sears began volunteering at PHC in early 2024. She works at both the front desk and in the baby boutique, often offering a smile and infectious laugh. *"I love serving at PHC because I want to make a difference in our community,"* said Kara. *"I enjoy being able to celebrate life and helping new moms navigate through a big change in their life."*

Kara is a former owner of Purdy's Coffee Company. She and her husband, Matt, attend Southland Christian Church and are expecting twins.

Safe Haven Baby Box Update

Richmond's new Safe Haven Baby Box arrived at downtown Fire Station #1 in early April. Construction and installation started in early May. At press time, the box was installed and was awaiting wiring. Stay tuned for a blessing of the box and a press conference!

Our THRIVE Team is Expanding

Are you a young adult who has a heart for youth and public speaking? We're looking to add to our THRIVE teaching team! This paid position would require going to local schools to present our sexual risk avoidance curriculum. Hours are flexible and vary, depending on the teaching schedule for the semester. Please inquire by emailing sroof@madisonphc.org.

SETH GRUBER

A Cheerful Heart

If you have never been into PHC, my office is sandwiched between the reception area and the "chat rooms" where parenting classes take place. This vantage point helps me be aware what is going on as people come and go.

The other advantage is that I can occasionally hear sounds coming from the chat rooms. From baby squeals to the laughter of a mom or dad, it's a reminder of our very important role of speaking life into those who entrust us to impart parenting wisdom upon them. We take the role to build a relationship with them seriously – sharing truth and love!

Thank you for your continued support that allows us to be a light in our community to a world who is in desperate need of the love, grace, and JOY that only comes through a relationship with Jesus Christ.

"A cheerful heart is good medicine, but a crushed spirit dries up the bones."
~ Proverbs 17:22

Blessings, in Christ,

Sarah Roof
Executive Director
